EARL COOPER OFF FOR COAST

Engaging Little Fellow
Who Drives Husky Stutz
So Well Will Look Over
Road to Los Angeles Some
More Before Race.

In the old Stutz with the big figure "37" chalked on the side Earl Cooper and his traveling companion G. F. Stevenson, formerly of Phoenix, left for the coast yesterday. Cooper spent Sunday and yesterday in the city and started west again last evening. He made a farewell visit to the Stutz house before starting.

Returning he will take his time looking over the road closely in order that he may be able to take the best possible advantage of his time and experience in the race for the historic Republican cup next fair time. Cooper made a good impression here. He is a short,

fellow very stockily built, with an engaging smile and an attractive quiet personality. Should he see fit to return to Phoenix before the race it would not be surprising if he would enter the race as the favorite largely upon his personality. That he is a good fellow is written all over him. His companion Stevenson needs no introduction as a good fellow to Phoenixians.

FIRST FOOTBALL LINE UP BY COACH TODAY

Many Old Boys Back at School Insuring Good Heavy Line

The struggle for the supremacy in football for the state of Arizona will be on in earnest when Coach Geary lines up the Coyotes at half past two this afternoon at Sixth and Washington streets together with the candidates who are trying to beat the old men out of their places.

Upon the occasion of the first call for place, Coach Geary will be able to have a little better idea of what he has for the coming year. The coach felt pretty good when he found that nearly all of the splendid line of the high school of last year were back in school all the better and bigger for the year on the farm. Some of the boys have developed in the year into big huskies, and will give a good account of themselves before the year is ended.

Further than this some of the youngsters who have come up from the grammar schools of the county are big huskies also so that the whole team will out average that of last year quite a number of pounds to the man.

TUCSON COMES HERE EN TRAIN NEXT SUNDAY

Local Boys Made Friends
in Ancient City with
Fans and Players—Were
Given Excellent Treat-
ment—Return Visit.

The local fans were full of congratulations to Manager Monahan and Captain Togneri over the summary defeats that were administered to Tucson upon the grounds of the Ancient City on Sunday and were doubly pleased when they heard that there will be in all likelihood an excursion from Tucson to Phoenix next Sunday for a great ball game. The department of the local boys upon the field and in the city made a good impression upon Tucson so that Manager Sullinger expressed himself as delighted with the idea of coming to Phoenix for a return engagement.

It will be a great thing for the national game for an excursion from the old city of Tucson, which so many good ball players have been glad to call home, and where the crop is not yet exhausted, to Phoenix the young and thriving metropolis of the state, where it can be said without fear of contradiction that there now is the best ball team in the state. The local fans will turn out in throngs to see the game and to welcome the bunch from the Old Pueblo.

Sunday's games were of the most interesting character and because of the interest of the local fans in the doings of the Phoenix team when away from home the box score is herewith published with a great deal of pleasure.

MODART CORSE'S Front Laced

Three New Modart Designs We Are
Featuring In Our Corset Section

Design 640—Price \$3.50

Design X-439—Price, \$5.00

Design E-350, Price \$8.50

MODART quality is maintained throughout design 640. The boning, clasps, supporters, tapes and trimmings are as good as are found in the higher price designs.

640 has an exquisite flat back line and the bones are carefully arranged to mould the figure with ideal comfort. The back is built up to take care of the flesh above the waistline. Has a low bust and is adapted to the average figure.

YOU must see this corset to fully appreciate why we call it the season's best corset value.

It has a wide strip of elastic in the back, providing the necessary expansion for absolute comfort—has long sweeping lines, a low, easy bust, graduating to a medium high back and finished with handsomely embroidered trimming of special designs. Model X-439 is made particularly for the average figure that wishes a good medium broad substantial corset.

IN its style, finish, workmanship and comfort a degree of luxury is attained in Model 360 which leaves nothing more to be desired—nothing more to be obtained for the woman with an average figure.

It has four elastic sections, a low bust, medium high back, and is made of a fine quality imported cotton broche.
